

## **Volunteer of the Year Awards**

The Volunteer of the Year Award is given annually to members who have made that extra commitment and contribution towards making the KFA so special. Each year, we award trophies in three categories, Committee Member, Teacher and Member as well as an Overall Winner.

We all know the many hours that Committee and Working Party members spend organising not only major events such as AGM and Regional Display days, but the many, many smaller occasions when we get together, in addition to keeping you informed with newsletters and details of our Calendars of Events.

Most of our Teachers also spend much more time than the hour or so you see them in class, preparing the work and selecting music. They have to attend training to maintain their knowledge and in most cases are also involved in preparing demonstrations to encourage and develop the confidence of their class members.

And all across the region we have members who are known for their support of local events and who work quietly in the background doing a host of things that make our organisation such a friendly one.

These are the people whose efforts you know should be recognised and The Volunteer of the Year award is our opportunity to thank them, but we need your nominations.

Nomination forms for 2011 will soon be available and can be obtained from any committee member or downloaded from the National KFA website, but remember not everyone can access the internet, so if you want others to support your candidate, download a form for them to complete.
